

FAIRPORT PUBLIC ARTS Committee

The **Fairport Public Arts Committee** (FPAC) was formed in April 2016 to facilitate the incorporation of public art in the Village of Fairport. The FPAC will oversee the public arts process within the Village, update the Public Art Plan, and make approvals and recommendations to the Village Board regarding commissions and investments in the Village's public artwork collection and programs. The commission is comprised of seven members appointed by the Mayor.

OBJECTIVES

-  To **enrich** the Village's civic and cultural heritage, the FPAC is established to provide a level of expertise and objectivity to recommend to the Village Board works of art to be on display on community property
-  To **promote** a rich, diverse and stimulating cultural environment in order to enrich the lives of the village's residents, business owners, employees and visitors, and to enhance the village's image both nationally and internationally
-  To **expand** the reach of the public art plan to include the Town of Perinton
